Re: Second Status Report:  
United States v. Faith Esimai and Lydia Hills  
Criminal Docket No.: 16 Cr. 0204(ILG)

Dear Judge Glasser:

Pursuant to the Court's November 17, 2017 Memorandum and Order (the "Competency Order"), the government respectfully submits this second status report relating to Faith Esimai, whom the Court determined was not competent to stand trial.

The government retained a physician, Dr. Stuart Kleinman, to provide a second opinion as to the defendant's condition. Dr. Kleinman recently examined the defendant and may require a second interview with her. Dr. Kleinman is also arranging interviews with the defendant's daughters and possibly others who have interacted with the defendant as well. Following the government's request for more current medical records, the defendant's attorney, Peter Brill, informed the government that he was working on obtaining the defendant's medical records from 2016 to the present. Dr. Kleinman has requested these records to assist him in his evaluation.

Therefore, the government respectfully requests that the matter be adjourned for sixty (60) days at which time the government will file another status report.

Respectfully submitted,

RICHARD P. DONOGHUE  
United States Attorney
